

WHAT IS AMERICORPS NCCC?

AmeriCorps NCCC is a national service program that strengthens communities and develops leaders through residential, team-based national and community service.

AmeriCorps National Civilian Community Corps (NCCC) has campuses in four regions throughout the United States. Each of these campuses develop projects that are between 6-12 weeks with Project Sponsors in states assigned to their campus. Each campus has dedicated programming staff that work with sponsors to develop projects for NCCC Teams.

Maine is served by the NCCC North Central Campus in Vinton, Iowa

NCCC National Headquarters is in Washington, DC.

WHO CAN SPONSOR A TEAM?

Not-for-profit and faith-based organizations, government entities (federal, state and local), public schools and universities, and Native American Tribal Councils.

WHO ARE AMERICORPS NCCC TEAM MEMBERS?

Members are young men and women, 18-24 years old, who serve a full-time, ten month term, and represent a wide variety of socioeconomic, cultural, geographic, and educational backgrounds. Team sizes vary throughout the year and can range between 8-12 Corps Members who are supervised by a Team Leader (TL).

WHAT KINDS OF PROJECTS ARE TEAMS ENGAGED IN?

NCCC teams focus on projects in five service issue areas:

- Environmental Stewardship and Conservation
- Urban and Rural Development
- Energy Conservation
- Infrastructure Improvement
- Natural and other Disasters

WHAT DOES THE PROGRAM PROVIDE TO A PROJECT?

NCCC provides:

- 8-12 Corps Members, 1 Team Leader,
- One 15-passenger van and fuel
- Limited funds specifically designated for team food purchases,
- Limited hand tools and basic personal protective equipment (PPE)
- Federal Tort Claims Act (liability claims) and Federal Employees Compensation Act coverage (worker’s compensation claims)
- Service learning support to help the team understand the community’s need and the organization’s work

HOW DOES A SPONSOR BEGIN THE PROJECT APPLICATION?

Sponsoring organizations request the assistance of AmeriCorps NCCC teams by submitting a project concept to the regional campus that covers that organization’s state. If accepted, the campuses provide technical assistance in completing the application, developing a work plan, and preparing the project sponsor for the arrival of the AmeriCorps NCCC team. All initial project development material can be found online here (<http://go.usa.gov/7a8e>).

WHAT DOES A SPONSOR PROVIDE?

Planning and organizational orientation are essential when conducting a quality project and enriching experience for NCCC Members. Sponsors are also required to provide technical supervision that will vary between 15-30 hours per week, or more, depending on the project's complexity. In addition, sponsors provide:

- On-site technical training, supplies and equipment
- 40 hours of full time service for team to include explanation of project value, community enhancement and service learning.
- Parking for team 15 passenger van
- Housing for the team during the course of the project, including bathroom/shower and cooking facilities
 - Youth Hostels
 - Churches/Community Centers
 - Campsites
 - Other housing in the community

WHAT IS THE SCHEDULE FOR PROJECT DEVELOPMENT?

Each campus has full-time staff that develop projects for members. Members typically experience between three and four rounds of projects over the course of their 10 month term. Each campus has a different start date for their members' terms and have unique project schedule deadlines. **Please see the schedule below for project deadlines.**

NCCC encourages you to submit concept forms early for any projects you are planning for 2020. This maximizes the support NCCC can provide to help strengthen the application.

GETTING THINGS DONE FOR AMERICA

ABOUT AMERICORPS NCCC

AmeriCorps NCCC (National Civilian Community Corps) is a full-time, team-based residential program for men and women ages 18-24. AmeriCorps NCCC members are assigned to one of five regional campuses into teams of approximately ten members, and complete 2- to 3-month projects responding to local communities' needs in every state. Teams serve with local and national organizations, infusing resources and leading volunteers for hundreds of organizations like Habitat for Humanity and the American Red Cross. These young adults lead youth development activities, construct and rehabilitate low-income housing, clean up streams, help communities develop emergency plans, and address other pressing local needs.

THINGS TO HIGHLIGHT WHEN APPLYING

If your project involves any of the following aspects, be sure to elaborate in your Project Concept Form.

- *Energy Conservation or Infrastructure Improvement
- *Coordinating or recruiting volunteers
- *Service recipients who are Veterans or Military Families
- *Opportunities to recruit future NCCC Members
- *Projects that address priorities identified by state or community leaders
- *Community exposure for the team (i.e. media, inviting elected officials, etc.)

Typical Traditional Corps Service Activities	
▶	Filling and installing sandbags for local communities
▶	Educating people on sustainability and energy conservation
▶	Constructing or repairing trails in local and state parks
▶	Receiving, inventorying, and distributing donated food
▶	Removing exotic vegetation and planting new trees
▶	Making facilities handicap accessible
▶	Directly assisting veterans, homeless, and senior citizens
▶	Constructing and rehabilitating low-income housing
